Comentarios desactivados por defecto en páginas.

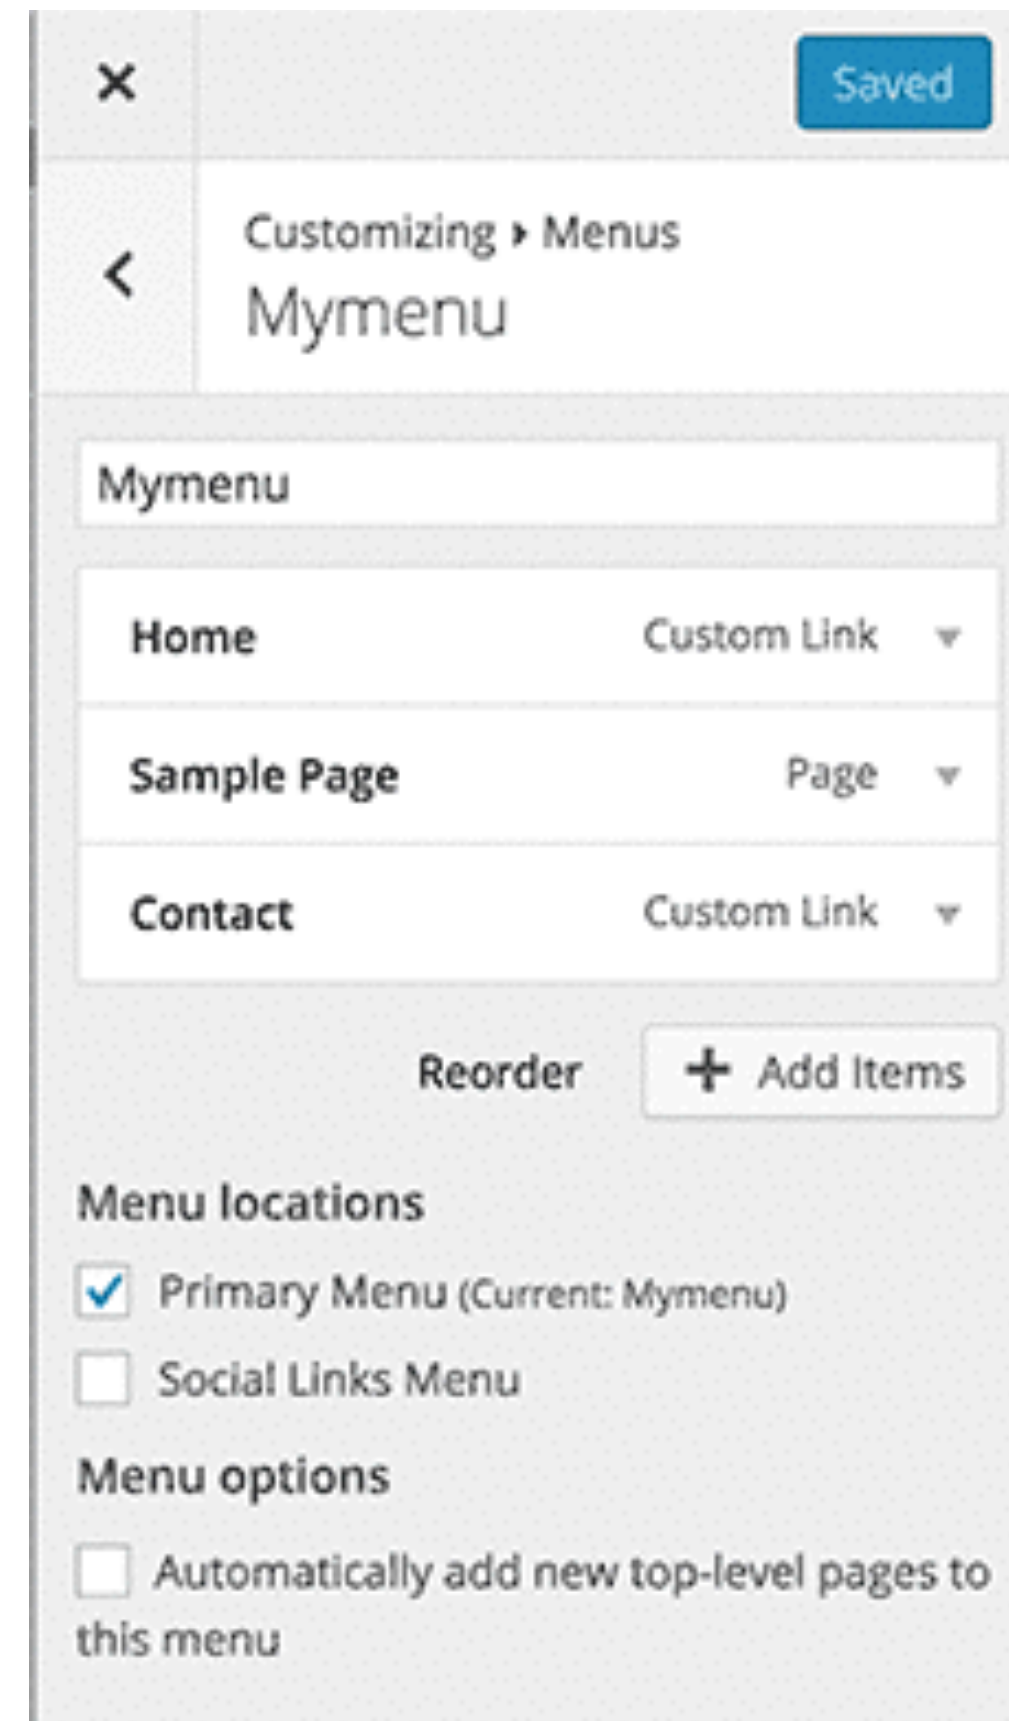

The screenshot shows the WordPress 4.3 admin interface. On the left is a dark sidebar menu with the following items: Pages (highlighted), All Pages, Add New, Comments, Appearance, Plugins, Users, Tools, Settings, and Collapse menu. The main content area is titled 'Comments will be Off for Pages by default'. Below this title is a text input field containing the letter 'p' and a 'Word count: 0' indicator. Underneath is a 'Discussion' section with two checkboxes: 'Allow comments.' and 'Allow [trackbacks and pingbacks](#) on this page.' Both checkboxes are currently unchecked.

Press This

Mejorado Press This. Añade editor de texto.

The screenshot shows the 'Press This' widget in a dark header bar labeled 'Demo 4.3'. The main content area displays the title 'WPBeginner - Beginner's Guide for WordPress' and the site's logo, an orange smiley face with a white 'W'. Below the logo is a rich text editor with a toolbar containing icons for bold (B), italic (I), bulleted list, numbered list, quote, link, and unlink. On the right side of the editor, there are 'Visual' and 'Text' tabs, and undo/redo arrows. The text area contains the following content:

WPBeginner is the largest WordPress resource site for WordPress Beginners with easy to understand WordPress tutorials for mastering the basics and beyond.

Source: [WPBeginner - Beginner's Guide for WordPress](#)

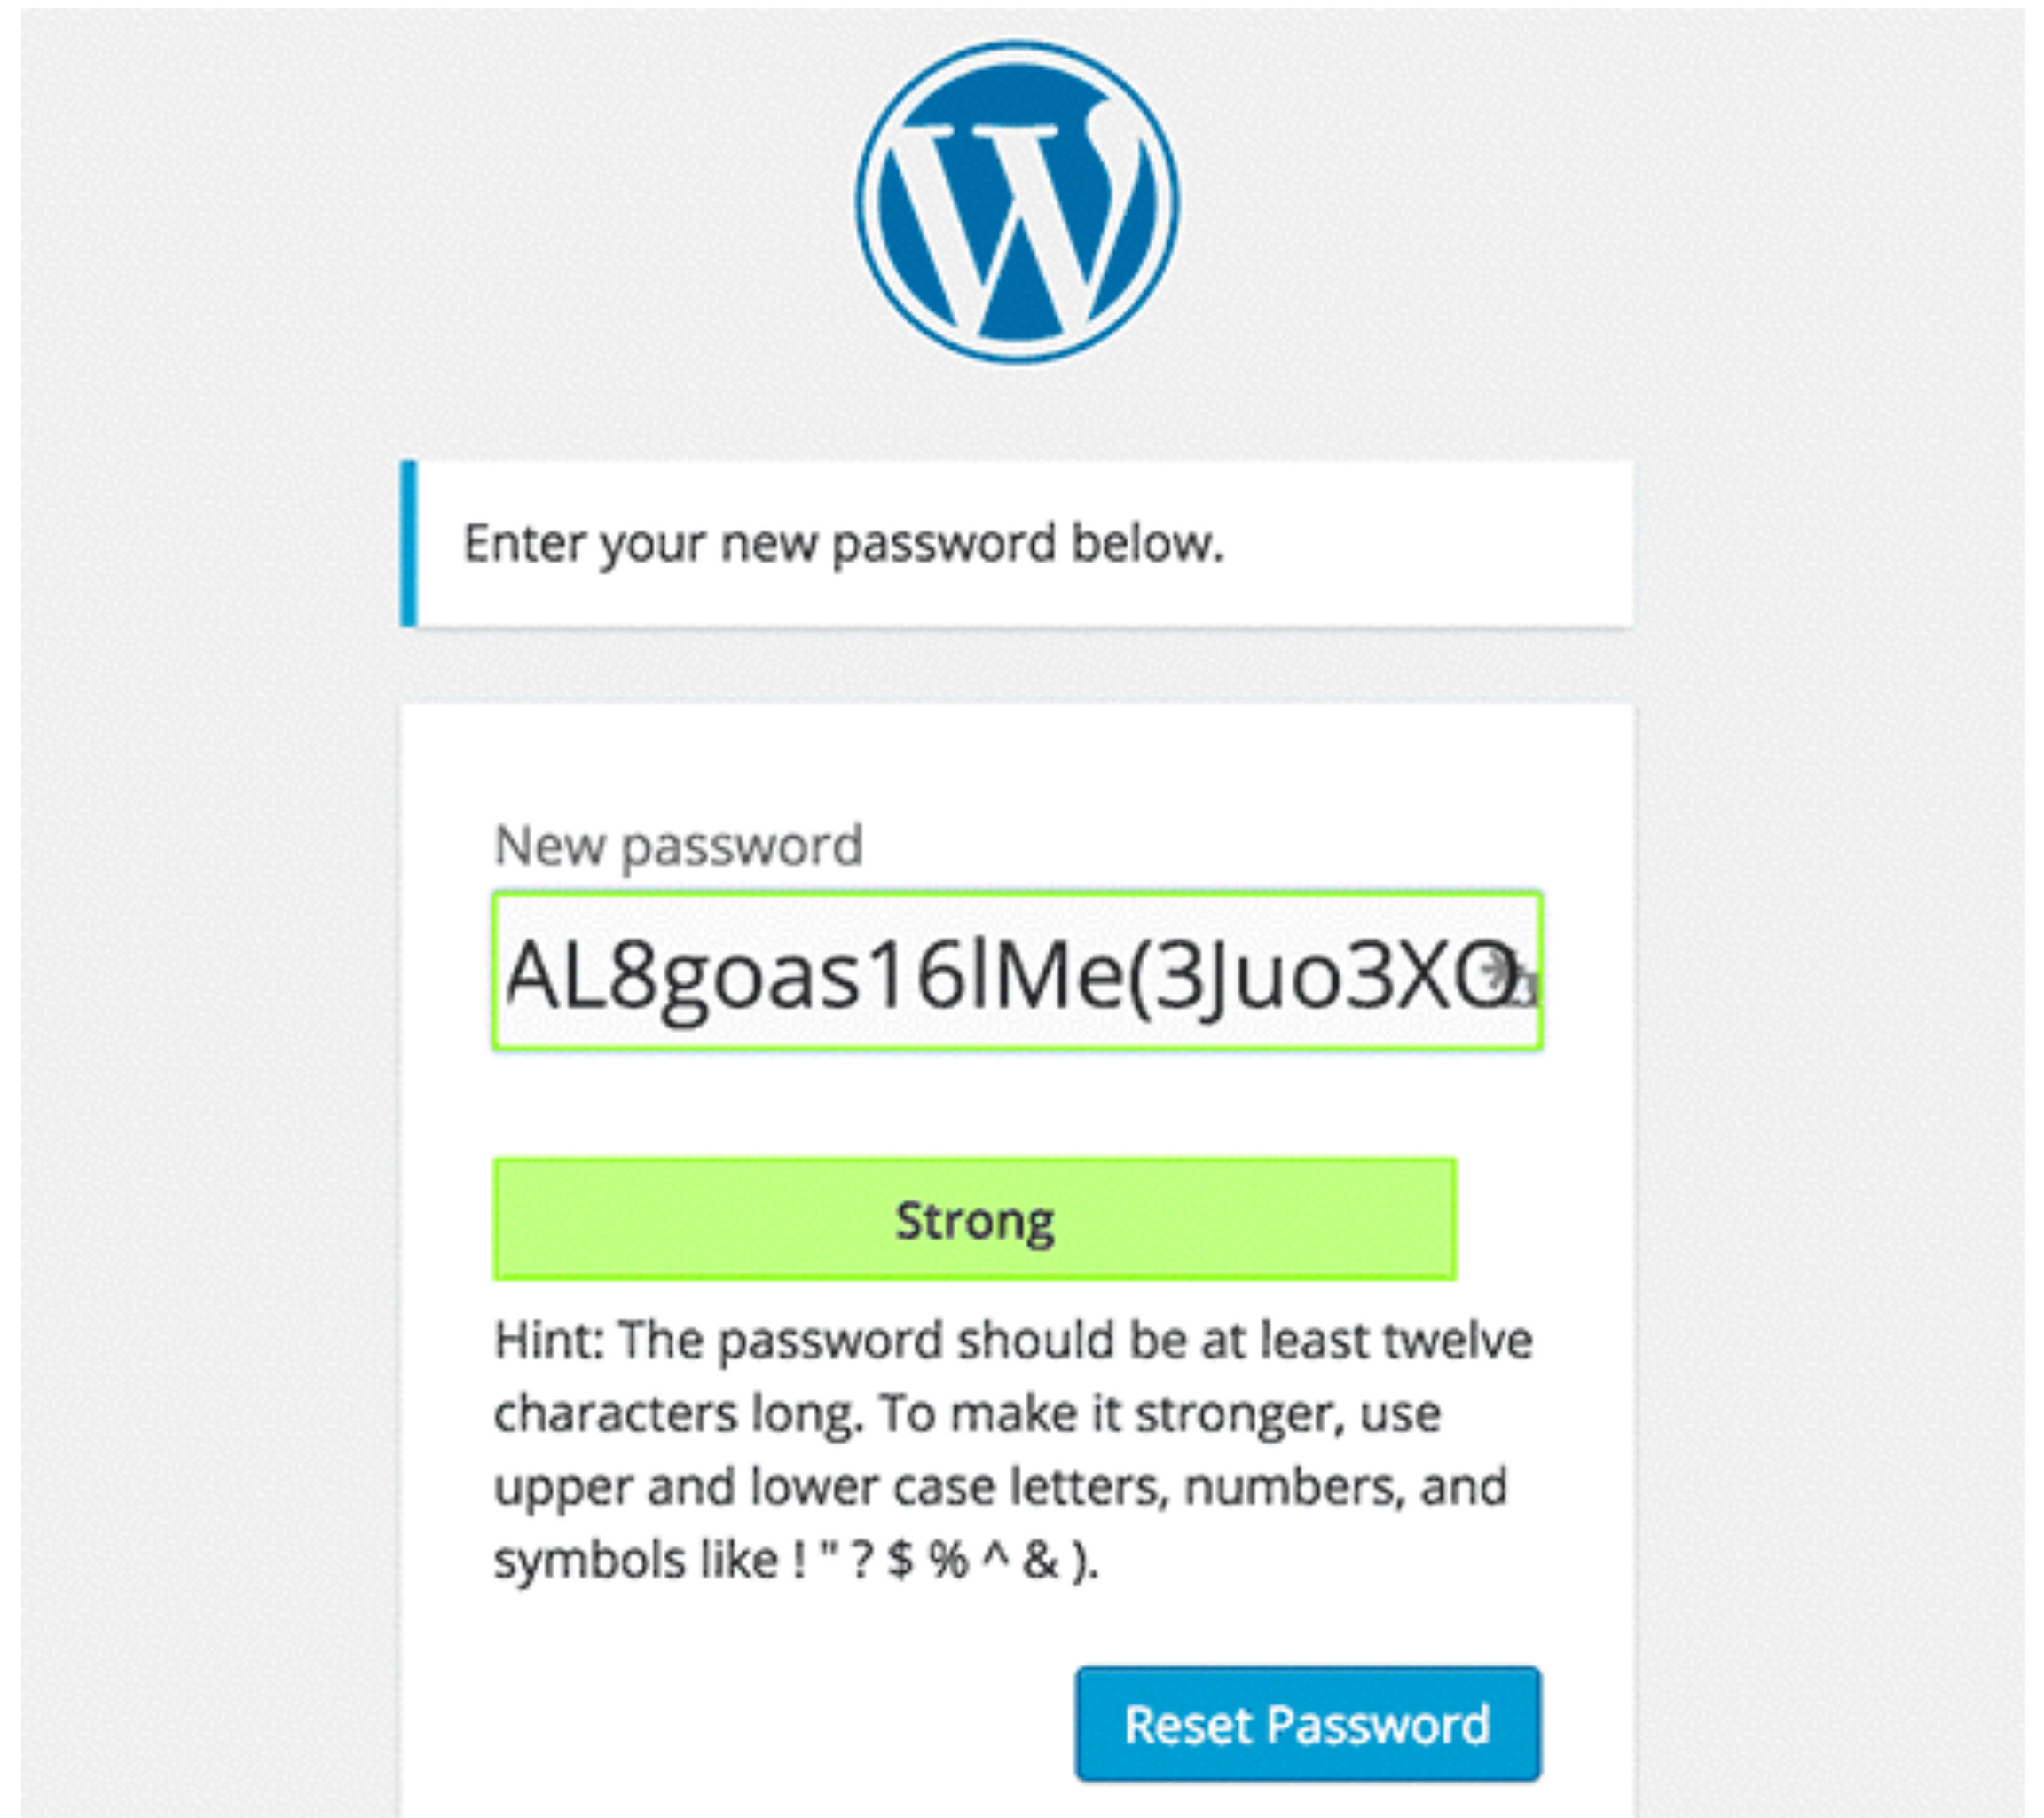

At the bottom of the widget, there is a 'Publish' button with a dropdown arrow and a small icon on the left.

WordPress 4.3

Contraseñas

Ahora WordPress te crea una contraseña de forma automática y segura.

Cuando se crea un nuevo usuario, se envía un enlace para que obtenga su contraseña.

The screenshot shows the WordPress password reset process. At the top is the WordPress logo. Below it is a white box with the text "Enter your new password below." Underneath is a text input field labeled "New password" containing the auto-generated password "AL8goas16lMe(3Juo3XO". Below the input field is a green bar with the word "Strong" in white. Below that is a hint: "Hint: The password should be at least twelve characters long. To make it stronger, use upper and lower case letters, numbers, and symbols like ! \" ? \$ % ^ &)." At the bottom right is a blue button labeled "Reset Password".

WordPress 4.3

singular.php

Si se tiene un solo diseño para entradas y páginas, se puede usar `singular.php` para sustituir `page.php` y `single.php`

Twenty Sixteen
Nuevo theme por defecto

The screenshot displays the WordPress Twenty Sixteen theme interface. At the top left, the theme name "Twenty Sixteen" is shown with the subtitle "The WordPress Default Theme for 2016". On the top right, a navigation menu includes "Home", "Style Guide", and "About". The main content area features a "FEATURED" section with the article "Potato Dumplings Stuffed with Smoked Meat at Renfield Arms" by Takashi Irie. The article text begins with "We tried this dish at a newly opened popular pub in Haywards Heath, West Sussex." and continues with a paragraph about a dream. The right sidebar contains an "ABOUT" section describing the theme's design and a "CATEGORIES" list including Cooking, Drink, Food, Photos, Pub, Quotes, Tests, Videos, and Writing. A search bar is located below the categories.

Edit

For a moment I was puzzled to account for the thing, until I realized that the reptiles, being deaf, could not have been disturbed by the noise my body made when it hit the water, and that as there is no such thing as time within Pellucidar there was no telling how long I had been beneath the surface. It was a difficult thing to attempt to figure out by earthly standards this matter of elapsed time—but when I set myself to it I began to realize that I might have been submerged a second or a month or not at all. You have no conception of the strange contradictions and impossibilities which arise when all methods of measuring time, as we know them upon earth, are [non-existent](#).

I was about to congratulate myself upon the miracle which had saved me for the moment, when the memory of the hypnotic powers of the Mahars filled me with apprehension lest they be practicing their uncanny art upon me to the end that I merely imagined that I was alone in the temple. At the thought cold sweat broke out upon me from every pore, and as I crawled

ABOUT

Twenty Sixteen is a modernised approach of an ever-popular layout — a horizontal masthead and an optional right sidebar that works well with both blogs and websites. It has custom color options that allow you to make your own Twenty Sixteen.

The theme was designed on a harmonious fluid grid with a mobile first approach. This means it looks great on any device

WordPress 4.4

Rest API

La Rest API se añadirá parcialmente. En 4.4 se añadirá para que los themes y plugins puedan hacer uso de ella. Se podrá hacer todo lo que no necesite de contraseña de forma externa.

WordPress 4.4

Refactoring Term Meta

Taxonomías compartidas con ID único. Esto hará que no hayan tantos
Join al simplificar las tabla.

WordPress 4.4

Fields API

Una nueva API para añadir de forma muy sencilla campos al customizer, a la pantalla del perfil de usuario, al editor de entradas/páginas, a la pantalla de configuración y posiblemente a otras áreas de WordPress

WordPress 4.4

Posts 2 Posts

Una forma muy sencilla de relacionar (de muchas formas diferentes)
diferentes entradas entre ellas.

Muchas gracias
